Triumph wins Crown Commercial Service (CCS) RM3812 Furniture Framework

Triumph is pleased to announce we are named as a supplier on the Crown Commercial Service's RM3812 Furniture Framework. Triumph has been awarded onto three of the Lots on the framework agreement;

Lot 1 - GPU Hub Programme

Lot 2 - Office Furniture

Lot 3 - Residential Furniture

Triumph is a leading UK furniture manufacturer with a national dealer installer and distribution capability. We offer high quality product and a first class service at prices that ensure best value for all Government Departments.

Triumph's 70+ years experience has been proven over the last two framework agreements (8 years), in hundreds of successful projects for Government Departments. In addition to its manufacturing capability the wide range of skills Triumph has demonstrated have included: consultation and product selection, space planning, logistics and installation, detailed project management and after sales support.

All furniture as specified under Crown Commercial Service (CCS) RM3812 agreement is now available to order through our dedicated sales and customer service team. Please call us on [01685 352222](tel:01685352222) or email marketing@triumphfurniture.com

Helen Coggan, Commercial Director, says; "This is a great result against very tough competition, with high standards demanded by the Government. This success is the result of a strong team effort within Triumph, the award enables Triumph to continue as a major player in this marketplace."
